(ii) G.O.Ms.No.1407 Food and Agriculture Dated 20-7-50.
(iii) From the Collector of Bellary Ref.1177/50/M7 dated 15-9-50.

A copy of the letter cited received from the Collector, Bellary is submitted to the Government.

2. In his letter cited the Collector of Bellary has asked for the employment of (i) One Assistant Taluk Supply Officer on Rs.110/- per mensem and One peon on Rs.18-25 per mensem for Sandur taluk and (ii) a Lower Division Clerk for work under the Taluk Supply Officer, Sandur for the reasons stated therein. The above proposals are examined below.

(i) Item (i) above: In its reference first cited (Register No. in the G.O. second cited) the Board considered that for the newly constituted Sandur Taluk one Taluk Supply Officer would be necessary and sufficient and that neither an Assistant Taluk Supply Officer nor the continuance of the Firka Supply Officers for that taluk was necessary for Civil Supplies work in view of the need for economy. The Government accepted this proposal. Consequent on the employment of a Taluk Supply Officer sanctioned in the G.O. cited the posts of 3 Firka Supply Officers and 3 peons were abolished. There is now only one Taluk Supply Officer to look after the Civil Supplies work in the Sandur Taluk.

(ii) In his letter cited the Collector of Bellary has reported that it has become a difficult task for the Taluk Supply Officer to have effective control over the Civil Supplies work and that he is unable to administrate the control orders without proper assistance. He has also stated that the jurisdiction of the 19 Assistant Taluk Supply Officers sanctioned in G.O.Ms.No.1428 Food and Agriculture dated 8-7-50 cannot be adjusted in such a way as to cover the Sandur taluk also. He has therefore stated that an Assistant Taluk Supply Officer is absolutely necessary to assist the Taluk Supply Officer. A map of the Bellary District enclosed shows that Sandur Taluk is as big as any other taluk and that an Assistant Taluk Supply Officer is absolutely necessary for that taluk to assist the Taluk Supply Officer. The Board therefore recommends the Collector's proposal.

Item (ii):- There is one Lower Division Clerk at present for work under each Taluk Supply Officer in other taluks in the Bellary District. The work in the Sandur Taluk also will not be less onerous than that in other taluks. It is therefore necessary to employ one Lower Division Clerk for work under the Taluk Supply Officer, Sandur taluk.

3. In the above circumstances the Board requests the Government to sanction the employment of the following staff from the date of employment till 31-3-51 or till the need ceases whichever is earlier

earlier for Civil Supplies work in the Sandur Taluk, Bellary District.

(i) One Assistant Taluk Supply Officer on Rs.110/- per mensem.
(ii) One Peon on Rs.18-25 per mensem.
(iii) One Lower Division Clerk on Rs.45-90/- for work under the Taluk Supply Officer.

4. The Assistant Taluk Supply Officer, proposed for employment may be allowed to draw travelling allowance under the Madras Travelling Allowance Rules.

Sub:- Civil Supplies - Establishment - Sandur taluk - Sanction of a Assistant Taluk Supply Officer and a Lower Division Clerk for Civil Supplies work - requested.

I invite your attention to G.O. Ms.No.1407 Food and Agriculture Department dated 20-7-50 wherein the posts of a Taluk Supply Officer and a peon for the newly formed Sandur Taluk were sanctioned.

2 No Assistant Taluk Supply Officer's post has been sanctioned for Sandur Taluk. This new taluk consisting of the former Sandur state and Tornagal and Chornur firkas transferred from Hospet and Kudligi taluks is as big as Siruguppa or Alur Taluk of this district and is bigger than Hospet taluk and has 85 villages. Most of these villages are scattered over hilly and forest tracts and many of them are inaccessible even by jeeps. There are practically no communications and much hardship is felt to reach these villages in specially hired conveyances. While the rest of the taluks have better communications than this taluk and have two Assistant Taluk Supply Officers to help the Taluk Supply Officers in Civil Supplies work, this taluk the interior villages of which are not easily accessible has only one Taluk Supply Officer for all Civil Supplies work. The Taluk Supply Officer has to look after procurement in the taluk and pass indents to the ration shops and attend to regular office routine single handed unaided by any Assistant Taluk Supply Officer. When the Taluk Supply Officer goes to interior villages for procurement or to inspect the Ration shops there will be nobody at the Taluk Headquarters (Sandur) to pass weekly indents and to attend to urgent correspondence atleast. Thus the Taluk Supply Officer will be much handicapped if there is no Assistant Taluk Supply Officer to work under him.

3 It is imperatively necessary that one Assistant Taluk Supply Officer at least is appointed for Sandur if procurement and rationing (informal) work is not to suffer. The post of an Assistant Taluk Supply Officer for Sandur Taluk was recommended for sanction in this office Roc.4597/50-M2 dated 31-7-50 but the Board was not pleased to recommend, the proposal. The dry food crops in Sandur will be ripe for harvest by the end of October 1950. The sanction of the Assistant Taluk Supply Officer's post is immediately necessary for better procurement during 1950-51.

4 All the rest of the Taluk Supply Officers in the District have clerks to work under them and no Lower Division Clerk's posts has been sanctioned for Civil Supplies work in Sandur taluk. It is I submit not possible for the Taluk Supply Officer himself to attend to official correspondence without a clerk to assist him.

I request the Board to address the Government for sanctioning the post of one Assistant Taluk Supply Officer, a peon under him and a Lower Division Clerk for Civil Supplies work for Sandur Taluk.

A tracing of the Bellary district tour map with the position and extent of Sandur Taluk marked therein is also submitted for the Board's perusal.

pto

Very early orders in the matter are solicited as crops in Sandur taluk will be ripe within a month or two and there is a lot of work to be done preferably to starting procurement work.

Collector.

NOTE FOR CIRCULATION.

The case deals with the proposals of the Board of Revenue (Civil Supplies) for the employment of additional staff for procurement work in the Sandur taluk of the Bellary district.

2. While submitting proposals for the introduction of the scheme for the replacement of F.S.Os. by A.T.S.Os. in the Sandur taluk the Collector of Bellary proposed the employment of one T.S.O. and one A.T.S.O. for the taluk in the place of three F.S.Os. employed there. The Board however considered that one T.S.O. would be sufficient for the entire taluk and it accordingly recommended the sanction for the employment of a T.S.O. and one peon from the date of employment till 31/3/1951. This recommendation was accepted and orders issued accordingly in G.O.Ms. 1407 F. & A. dated 20/7/50. The Collector has since represented that it has become a difficult task for one T.S.O. to have effective control over the C.S. work in the entire Sandur taluk and that it is absolutely necessary to employ
